A NOTE REGARDING SCHEDULING OF MATCHES

Matches to be played Sundays
Some matches could be played week nights if unavailable to play Sundays

The Tournament Committee has decided to ensure that matches are played at the scheduled time.

This means no opportunity for players to reschedule matches. Failure to play at times allocated will mean a forfeit to the player who was available to play at the correct time.

The committee also appreciates players do have other commitments, so please indicate below the day/night for which you are unavailable to play.

This is the only opportunity to have a say in the scheduling of matches.
