

NOARLUNGA TENNIS CLUB INC.

CHILD – SAFE ENVIRONMENT POLICY

The Noarlunga Tennis Club is committed to protecting children from physical, sexual, emotional and psychological harm and from neglect.

We extend this commitment beyond creating an environment that minimises risk or danger, but to also build an environment that is both child-safe and child-friendly where children feel respected, valued and encouraged to reach their full potential.

As a Club we have created a child-safe organisation which recognises its legal and moral obligations to ensure that all children in its care are in a safe and positive environment.

Every Team Supervisor, Coach and Manager has had the necessary Police Checks completed and then sighted to ensure their suitability for their contact with children.

Each Team Supervisor has a copy of the Department of Recreation and Sport's booklet "Keeping Children Safe in Recreation and Sport" in the Team Folder.

All committee members have read and familiarised themselves, with our Club's Policies, Procedures and Codes of Practice.

Parents have been advised to report any suspicions of abuse or neglect to the ***Child Abuse Report line 131478***
